## CONSEQUENCES

Actions have consequences. As children, we were often told that if we would do something, then we would receive a present or a reward. If we didn't, it might result in a punishment. Geometry also uses the "If-Then Statement." That is what our scriptures are like this Sunday. In each reading, there is a suggested action on our part, which will result in a desired outcome. There is a feminine personification of God as Wisdom, Psalm 63 and the intimate thirsting for God, the letter to the Thessalonians on believing in Christ, and Matthew's parable of the wise and foolish virgins. In the world of instant everything, we are not good about being patient, and our follow-through can be terrible. But each reading in its own way promises us that if we diligently seek God, we will be blessed and rewarded, and that it is worth the work and the wait!

**Next weekend** in the pews will be index cards. Please write the top three things you are most grateful for. You need not sign the cards or put your names on them. There will be a basket near the entrance to place the cards. **We will include your prayers of gratitude in the 9am Mass on Thanksgiving Day.**
